#### Explanation of Responses:

1. Restricted Stock Units (RSUs) convert into shares of common stock on a one-for-one basis. RSUs are issued pursuant to the issuer's Management Stock Purchase Plan (MSPP). Under the MSPP, directors may make an advance election to receive RSUs in lieu of a specified percentage or dollar amount of the director's annual retainer. The RSUs are issued on the basis of a 33% discount to the fair market value of the issuer's common stock on the date the underlying compensation is paid or otherwise would be paid and generally vest 3 years from the date of grant, at which time they are coverted into shares of common stock unless the director has previously selected a longer deferral period.
